## A Vote For Bonds to Build and Equip a New High School in St. Cloud is Not Only Absolutely Necessary to Meet Present Needs, But is in the Interests of Progress and Growth of the City, and the Education of Future Generations. VOTE "YES," MAY 5TH

WITH THE MONSTER PARADE SCHEDULED FOR TOMORROW AFTERNOON AT THREE O'CLOCK IN WHICH THE AMERICAN LEGION ST. CLOUD BAND, G. A. R. POST, W. R. C., BOY SCOUTS, SCHOOL CHILDREN AND OTHER PROGRESSIVE AND PATRIOTIC ORGANIZATIONS WILL PARTICIPATE, THE CAMPAIGN FOR VOTING A BOND ISSUE OF \$45,000 TO BUILD AND EQUIP A NEW HIGH SCHOOL IN ST. CLOUD WILL COME TO A CLOSE, WITH INDICATIONS THAT THE VOTE ON SATURDAY, MAY 5, WILL BE IN FAVOR OF THE ISSUE FOR THE NEW SCHOOL.

THE AMERICAN LEGION POST NO. 80, OF ST. CLOUD, CIRCULATED A PETITION SEVERAL WEEKS AGO, SECURING ENOUGH SIGNATURES TO INSURE THE CALLING OF THE ELECTION FOR THE NEW SCHOOL, THIS WORK IN THE INTEREST OF EDUCATION AND AMERICANIZATION BEING A PART OF THE PROGRAM OF WORK OF THE LEGION THROUGHOUT THE COUNTRY.

EVERY MOVEMENT TO SECURE THE SCHOOL BUILDING HAS BEEN CAREFULLY CONSIDERED, AND PLANS HAVE BEEN SUBMITTED BY SEVERAL ARCHITECTS, AND THE COOPERATION OF THE SCHOOL BOARDS HAVE BEEN CAREFULLY GIVEN IN ORDER THAT THE VOTE AND BOND ISSUE SHOULD BE REGULAR IN EVERY DETAIL. THE TERMS OF THE BONDS ACCORDING TO THE PROVISIONS OF THE LAW, AND SATURDAY THE PROPERTY OWNERS OF THIS SUB-SCHOOL DISTRICT ARE ASKED TO VOTE \$45,000 FOR MEETING THE PRESENT NEEDS AND FOR LOOKING A HIT INTO THE EDUCATION OF FUTURE GENERATIONS.

PROPER EDUCATION OF THE CHILD IS MORE IMPORTANT TO THE FUTURE WELFARE OF THE COMMUNITY, STATE AND NATION, THAN ANY OTHER ONE THING A GOOD CITIZEN CAN UNDERTAKE. THE BOYS AND GIRLS OF TODAY WILL BE THE STATESMEN AND OFFICIALS OF TOMORROW, AND IF THE FUTURE WOULD HOLD IMPROVEMENT IN MODES OF LIVING AND IN SYSTEMS OF GOVERNMENT, THE CHILD OF TODAY MUST BE GIVEN THE PROPER EDUCATIONAL FACILITIES TO PREPARE TO MEET THE DUTIES OF TOMORROW.

### 10TH STREET WIDENED ONE BLOCK AND WHITE WAY

With the favorable action of the city council on the proposition made by Leon D. Lamb to give ten feet along the block on Tenth street between New York and Pennsylvania avenues, and furnish paving brick if the city would do the work, this improvement seems to be certain of accomplishment, as the resolution making the agreement between the city and the property owners was adopted last week and Mr. Lamb has ordered the paving brick.

Along with the widening of this main highway along Tenth street comes favorable action on the installation of white way lights along Tenth street especially around this one block, and the announcement that a forty thousand dollar building will be erected at two of the lots on this block during the summer. Other buildings for this block have been planned to begin as soon as the street is widened, and it is likely the whole block will be covered within a few months.

The entire block has been sold by Mr. Lamb to people who will build at an early date, the deal for the last two being finally consummated during the past week.

With the white way lights, a widened paved street and fireproof buildings the location on Tenth street becomes one of the best in the city, and will add much to the appearance of the business district when the work is done.

Activities along Tenth street will be an impetus to other development in the city, and indications point to a greater building program this next year, that at any time in the history of the town.

Mr. Lamb deserves congratulations for the success of his plan to develop this business block, as it will mean much to the entire city.

The local A. C. L. train that runs between Klamathine and Narcoossee was delayed Wednesday afternoon when the boiler of the engine bursted when about three miles west of the city. The passengers were brought to town in cars and the mail was brought in by bus.

Mr. and Mrs. John M. Raymond of Chicago, have arrived in St. Cloud and purchased the McKenna home on Ohio avenue to make their future residence. Mr. and Mrs. C. W. Clark, also of Chicago, accompanied them and purchased the new C. Z. Lippincott home at Fifth and New York avenue for their future home. We are glad to welcome these new citizens to our midst.

### TOURIST COMMITTEE CHAMBER OF COMMERCE PRESENTS DEFINITE PLANS FOR PLAYGROUND

For the past several weeks the tourist committee of the chamber of commerce have been at work on plans for a tourist park and playground, and yesterday definite outlines of improvements to be made at the city park between Ohio and Illinois avenue and Seventh and Eighth streets, to meet the needs of the city. S. W. Porter, Wm. Landis, Sam Brammar and L. M. Parker were members of the committee which reported, recommending the following work to be done at the city park:

The installation of a double tennis court, a double croquet ground, a bowling alleyway, snools grounds, and a pavilion that will have a seating capacity of 1500. The pavilion is to be 40x60 ft with a ten foot porch on all four sides, constructed so that the openings to the pavilion will permit the use of the entire floor space as one building. A platform for speakers or musicians will be provided in the pavilion, the porchway to be provided with tables for the use of tourists.

The report of the committee was received with enthusiasm and a committee to raise the estimated funds required was appointed by President Parker, and work has started to secure the accomplishment of the work this summer. The committee on funds is composed of J. A. McCarthy, M. Fickett Foster, L. U. Zimmerman, G. A. Bleech and C. B. McMullen. Local progressive citizens will be asked to add to the fund which was created

by the donation of \$100 from the Chautauque committee for providing tourist grounds and equipment.

Misses Ryan and Roberts, of Orlando, have taken charge of the plan outlined by the committee and will lay out a sketch to arrange the proposed playgrounds in the most accessible and attractive manner. Flowers and shrubs as decorations will be placed where needed, and it is understood the architects will plan to locate the various playground equipment in such a manner as to save many of the big trees as are desired to remain on the present park grounds.

The luncheon yesterday was an interesting session of the Chamber of Commerce, and the attendance taxed the room to the fullest capacity. Mr. F. H. Seymour and A. S. McKay were in charge of the luncheon which took the nature of a fish fry, and table decorations were made up of fishing tackle that is used in this section.

The advertising committee reported on their investigations and were instructed to get prices on a new booklet to be issued at once.

The Chamber of Commerce took notice of conditions being investigated by the legislature in connection with the conditions of convict leasing in this state, and adopted resolutions which appear elsewhere.

All business men are to be asked to close for one hour Friday afternoon to assist in the parade or demonstration in favor of the new high school bond issue.

### Entries in Our 1924 Presidential Derby

The post bugle has sounded and eight entries for the United States' four year classic, "The Presidential Derby," are already limbering up and jockeying for advantageous positions.

The four wearing "GOP" colors are headed by the favorite, President Harding. His opponents in the trial heat up to the National convention are Senator Hiram Johnson, of California; Senator Borah, of Idaho and Secretary of Commerce, Herbert Hoover, of California.

Wearers of Democratic colors are going to the post with Henry Ford, of Detroit, and William Randolph Hearst, of New York, slightly overruling Former Secretary of Treasury, William McAdoo, of New York, and Senator Oscar Underwood, of Alabama, as favorites to win in the national convention aprint.

Can you pick the winners—and the winner?

### CHAMBER OF COMMERCE ENDORSES GOVERNOR HARDEE AND THE LEGISLATIVE INVESTIGATION

At the weekly session of the Chamber of Commerce held at noon yesterday, that body took action on the matter of convict leasing conditions, which have been under investigation by the legislature for the past several weeks, and endorsed the action of the governor in this matter, when they adopted the following resolution:

Whereas, reports of terrible abuses and tragedies in convict camps in the northern part of this state under the color of the convict leasing law, seem by the investigating committee to be fully substantiated, and

Whereas, the Governor of the State and apparently a large majority of members of the legislature thereof seem determined to amend the penal laws of the State to prevent future abuses, barbarities and murders, and also to prosecute members of a mob armed to intimidate witnesses and prevent fair and impartial trial of the persons accused of committing the terrible crimes reported,

Therefore, Be It Resolved, by the Chamber of Commerce of the City of St. Cloud, Florida, in a weekly meeting assembled, that we heartily commend and endorse the action of Governor Hardee and the Legislature of the State of Florida in their efforts to repeal all laws in any way responsible for the convict lease system, and to punish to the full extent of the law those men who may be found guilty of the terrible crimes and abuses as charged against them, and of all those who personally, or in mobs try to protect the accused and prevent a fair trial; and

Be It Further Resolved, that a copy of this preamble and resolution be transmitted to Governor Hardee, a copy to Senator Stokes chairman of the joint Legislative Investigating committee seeking evidence in the matter of the death of Martin Tabert of North Dakota, and other abuses alleged to have been committed under the convict leasing system, and a copy sent to Senator Overstreet, of this district

platform and each were introduced to the gathering by Mrs. Elizabeth Harvey, past department president of the Woman's Relief Corps. Each officer received a round of applause as his name was called and responded with a military salute. They were:

Department Commander, G. A. R.—C. J. Rose, Miami.

Adjutant General G. A. R.—E. V. Blackburn, Miami.

Department President W. R. C.—Mrs. Snale Walters, St. Petersburg.

Parade of Old Veterans

The main event of public interest Wednesday morning was the parade of the old veterans. With military promptness, learned in their younger days, they gathered in front of the convention hall for this annual event. Over a hundred responded to the order, "Fall in," while as many more, who did not feel equal to the worn like across town to the park on Lake Zephyr were taken in cars provided by citizens of Zephyrhills. Led by the color guard behind whom came the Zephyrhills Band and the Pipe and Drum Corps of L. L. Mitchell Post of St. Cloud the procession led off, keeping step to the old tune, "Tramp, Tramp, Tramp, the Boys Are Marching." The step was not as elastic, and the pace was not as fast as in the old days, now and then some would stagger a little, but they all kept on, with heads up and not a man fell out on the long hot march of nearly a mile. Behind the marching veterans came a long line of members of the Relief Corps and Ladies of the G. A. R., who culminated the march with "yells" reminiscent of college days.

On arrival at the park a concert was given by the band and drum corps which was greatly enjoyed by the resting veterans. Many of the soldiers walked back to town at the conclusion of the entertainment, but for those who were too fatigued cars were on hand, and they were taken to their quarters.

The business meetings of the various organizations occupied the greater part of the afternoon.

### MOVIES BEING MADE AT NARCOOSSEE PAST TWO WEEKS

The Lariat Natural History Film and Producing Company have chosen Narcoossee and its surroundings as the scene of film production entitled, "Alias John Doe," a story written by Haysburg Love and which appeared recently in the Adventure Magazine. It is a story with a background of sawmill and lumber camp life and is especially well adapted to the location selected.

This is one of a series of productions by this company touching scenic and industrial life in its actualities. Tom L. Griffith is the director for this company and personally supervises all settings and camera work. Mr. Griffith has been associated with some ninety-seven successful film productions in important capacities. The management and business of the company is handled by Walter E. Plank.

Among the notable people in the cast are the following: Martha Kinney who handles the comedy parts. Mr. Kinney has appeared in comedy in a wide range of feature film productions by Fox, Selig, Griffith and others.

Miss Muriel Kingston, Mr. Henry Knowles are also well-known characters in film and dramatic productions. Mr. Hannel Fish is playing a lead in this story and promises to be a screen favorite. He appeared to great advantage in a recent production by this company entitled "Number Ten Boots," Miss Dorothy Bayner and H. B. See will also appear in this story among others.

The release on these stories is thru the Educational Bureau which is the highest class release offered to screen production and appears as first showing in 16,500 theatres. The scenic offering of St. Cloud and vicinity is considered by the management to be exceptional and it is possible that another story may be worked out here following the completion of "Alias John Doe."

The co-operation given by local conditions and the people of St. Cloud have been extremely satisfactory and greatly appreciated. A first showing of this picture will be given so that local residents may have an opportunity to see the work of this company as well as the principals who will no doubt appear in person if conditions permit.

### BABY CLINIC MAY 12TH IN ST. CLOUD AT CITY HALL

The citizens of St. Cloud should welcome the chance that is coming to our City May 12th.

Our very efficient Red Cross Nurse, Mrs. Adams, has brought this about. It gives all the children up to seven years a chance to be examined free of charge, by our own nurse and a nurse from the State Bureau of Child Welfare.

Clinics to be held at the City Hall, May 12th, as follows:

10 A. M. Dr. Chonn, examining physician.

11 A. M. Dr. Cushman, examining physician.

1 P. M. Dr. Dodds, examining physician.

2 P. M. Dr. Cushman, examining physician.

Conservation of the health of infants is of extreme importance to the community, state and nation. Let us have your co-operation.

The child is the state's most valuable asset. Remember the clinic hours and give your baby the benefit of examination. Prizes to be given for the most perfect boy and girl.

Colored children's clinic will be held at City Hall on May 14th.

### GRAND MASTER I.O.O.F. ATTENDS MEMORIAL AT KISSIMMEE

The membership of Osceola Lodge No. 74 I. O. O. F. of Kissimmee observed memorial day on the 104th anniversary of the order in the United States, and having invited sister lodges St. Cloud and Orlando, there was a number in attendance from each of the Lodges. Grand Master, Frank Holms, of Orlando, was one of the visitors present.

The subject taken by Rev. J. A. Burton, who delivered the address, was "The Test of Friendship." He made all members of the Order glad that they were Old Fellows or Believers.

There were about 10 or more present to hear the splendid lecture and fine singing, all of whom were well pleased, each declaring they were well paid for the trip.

### Legion Men in France Add to Endowment Fund

American Legion members in France who in past years have assumed the task of decorating all graves of war dead in Europe, will raise their share of the \$200,000 endowment fund for which the legion in the United States will raise to provide for the permanent annual decoration of the overseas graves each Memorial Day.

Robert H. Tyndall, legion national treasurer, has received word from the legion post in Paris that the sum of 20,000 francs was contributed within five days by legionnaires in France. This amount is one-half of the total subscription of the American Legion in France for last year's Memorial Day activities.

In the United States the campaign is gaining ground. Contributions have been received from all sections of the country. Letters received from contributors express the sentiment that it is a privilege to assist in honoring the memory of the 32,100 war heroes who lie buried in cemeteries of Europe. "Here is \$20. Call on me for a like amount each year, if you need it" one letter stated.

However, the legion proposes to raise enough money this year to remove the necessity of future appeals for funds to decorate the graves. If the \$200,000 goal is attained, the tribute to the dead will be paid annually by legionnaires in Europe from the accrued returns of the fund.

Legion posts in the state of Washington have initiated a novel plan to accumulate their share of the fund. The posts and also individuals, are adopting a grave in Europe at the cost of \$25 for each grave. Pledges were led by Spokane post with twenty-eight out of a total of 11 graves to be cared for by the posts of that state.

### The Legion Protests American Employees

A recent successful protest of the American Legion post at Medford, Ore., against the replacement of American laborers by Japanese on a large ranch near Medford has been endorsed by the national organization of the ex-service men's organization.

Writing to the commander of the Medford post, Lemuel Holles, Legion national adjutant, stated:

"You are to be congratulated upon the prompt and energetic action of your post in protesting against this condition which undoubtedly is responsible for preventing the substitution of Asiatic for American labor on American soil. We must ever be alert to protect the interests of American citizens against the encroachment of those from foreign lands who have in mind, in coming here, nothing but the enrichment of themselves at the expense of our people and of our resources. Our people must be made secure in the American standard of living and in the enjoyment of satisfying working conditions. This is impossible unless the influx of all aliens from all lands is checked."

Vigorous and united action is necessary as a measure of prevention, according to the Legion national adjutant. "First in the education of all our people so that they may present a united front against the efforts being made to further promote foreign immigration; second, in the enforcement of all laws, particularly those designed to regulate the number of immigrants reaching our shores annually, or to totally exclude them; and third, the enactment of such additional legislation as may be necessary to preserve America for those who are capable of appreciating and becoming worthy citizens of the Republic."

### Veterans to Receive Benefits

Disabled veterans of the South and Southwest will receive substantial benefits as a result of President Harding's approval of recommendations of Joe Sparks, chairman of the American Legion's national rehabilitation committee. These include the lease of the 500-bed tuberculosis hospital at Kerrville, Texas, known as the American Legion Memorial Sanatorium, and the construction of additional facilities at the Veterans Bureau Neuropsychiatric hospital No. 75 at North Little Rock, Ark., and No. 6 at Augusta, Ga. Three hundred beds will be added to each of these hospitals.

Alvin Owsley, national commander of the American Legion, has led the long fight which resulted in the lease of the Kerrville institution.

### Should Forfeit Citizenship Rights

The signing of "antiwar" pledges now being circulated by the Women's Peace Union and various pacifist organizations should automatically forfeit citizenship right in this country, Garland W. Powell, national director of the American commission of the

American Legion, declared in a recent address before the Indianapolis Legion post.

"Government is established for the security of the governed," said Powell, "and citizenship should be regarded in the nature of a contract between the individual and the government. A contract involves the bestowment of a benefit for a consideration. The government is established to guarantee to the citizen certain benefits such as personal security, and the opportunity of engaging in peaceful activities for personal advantage. In return, the citizen engages to support and maintain the government. Forgetfulness or disregard of this obligation is the greatest menace to the American state and to American civilization today."

Powell asserted that anti-war pledges now widely circulated for signature commit the signer absolutely to refuse to bear any share in any sort of war activities. One who signs such a pledge, he said, must refuse to take over the work of a soldier going to the front; he must even refuse to contribute to the Red Cross or even "turn over his hand" to alleviate the suffering of a wounded soldier.

"Such a proposition is anarchy pure and simple," said Powell. "It would mean the abolition of government. For all government depends upon the support of the citizens. War is a bitter and terrible thing, and I wish with all my heart it could be wiped out forever. But anarchy is worse, for it would bring more suffering to more people. These non-participation pledges which strike at the very foundations of government are the sign boards of anarchy."

Powell attacked the promoters of the Women's Peace Union and other organizations of pacifists, accusing them of being "anti-American" in their refusal to pay taxes. He said that all citizens for signature are accompanied with pleas for money contributions. From a pacifist magazine he read a list of eight suggestions for carrying on the non-resistance campaign, and pointed out that all of these contained requests for money.

### Women Lead in International Movements

The love of home, children and the welfare of the community makes women leaders in the international movement for world peace and a better understanding among nations. Dr. Kate W. Barrett, national president of the American Legion Auxiliary, declared in a recent address before the Montreal Women's Club.

"There cannot be rivalry among women in these fundamental things, for what is good for the children of one country is good for the children of another," Dr. Barrett stated. "In the international movement, women don't have to learn the A. B. C. of it as men have had to do."

Dr. Barrett redeclared the international agreements which have come about between Great Britain and the United States following the war, in which they have been held together, not by psychology of fear, as some asserted, but by "the great cement of racial instinct and social ideas in common."

### Henry Ford Aids Hospitalization Program

Hospitalization for 200 disabled war veterans of Michigan was obtained as a result of a recent conference in Detroit of Alvin Owsley, national commander of the American Legion, Henry Ford and his son Edsel.

Henry Ford has agreed to throw open the doors of his big hospital here to every disabled ex-service man and woman in the state following Commander Owsley's statement of the hopeless plight the Michigan veterans were making because the government has failed to simplify the formal procedure through which applicants for hospitalization are forced to go and which has resulted in long delay in obtaining relief to the war fighters.

After hearing the Legion commander's appeal Henry Ford immediately instructed the superintendent of the Henry Ford hospital to receive at once any man in need of hospital treatment who could produce proof of war service. The Ford hospital covers twenty acres in the heart of Detroit. It was used as United States general hospital No. 39 before and after the war.

### Tonight we study about the Sabbath

What it is for, how shall we use it, and should we abuse it? Here are some Bible references about the Sabbath: Ex. 16:23-30, Ex. 20:8-11, Ex. 31:15-17, Lev. 25:2-4, II Chron. 36:13, Neh. 13:15-22, Amos 8:3-5, Mark 2:27-28, Luke 6:1-11.

Strictly speaking, "The Sabbath" is a religious day meaning "rest," while Sunday is merely the name of one of the days of the week. The Christian Sabbath comes on Sunday, the Jewish Sabbath on Saturday.

Suppose we lay aside the religious idea of Sunday. What would we have? We would still have a day of rest. Our civil laws require that places of business be closed on Sunday, that employer and employee may have a day of rest. But do they rest? Employer slips in the back door and works on, while employee spends the day in social and recreational exercises. Is it any wonder that sooner or later they "go to the wall?"

Jesus said: "The Sabbath was made for man and not man for the Sabbath." Jesus was speaking of the Sabbath—a religious day—not Sunday, a secular day. People who abuse the Sabbath show their lack of respect for God and sacred things, or else they show their ignorance of God's laws.

The Sabbath is for man's use—not his abuse. It is a day wherein we may lay aside our secular employments and pleasures, that we may be free to worship God (not ourselves) according to the dictates of our own conscience. The purpose of the civil law is that we may be protected in this right.

Secular plays of amusement—open-air theaters for the young and profane—not that the patrons may worship God. While many of these places of amusement are good in their places on week days, they are entirely out of place on Sunday.

With the freedom that the Gospel of Jesus Christ has brought us, we are apt to go to the extreme in indulging our own pleasures and "keeping up with the times," forgetting God. If we have an auto does it bring us nearer to God and his house, or does it take us further away from him? We should not blame the auto for the Sabbath desecration; they would be glad to go to church if we would go with them.

"Remember the Sabbath day" that ye may keep it wholly holy—not "holier holier." The fourth commandment is the only one of the ten in which God promises his blessing upon thousands of generations of them that have him and keep his commandments. If we want God's blessing on our children we should "remember the Sabbath day and keep it holy."

### BOY SCOUTS OF AMERICA

Troop No. 1 Boy Scouts of America registered for the year 1923 with twelve of the original troop re-registering and two new scouts, a total of fourteen scouts. Troop No. 1 now has one Merit Badge Scout, one First Class Scout, eight Second Class Scout, two Tenderfoot Scouts, one Associate and one Candidate.

Our aim is at least a patrol of first class scouts by July 4th, 1923.

The local organization for 1923 is as follows:

Local Committee: Rev. Wm. Landles chairman, Sam Rummmer, treasurer, Rev. B. Aitchison, O. R. Bloch, D. P. Eisenstein, L. M. Parker.

Troop No. 1: I. E. Dieboldorf, Scoutmaster, Colvin Parker, assistant, Archie Wightman, assistant; Preston Johnson, Senior Patrol Leader, Earl Cleveland, Scribe, Charlie Harris, Assistant Patrol Leader, James Thurber, second class, Ray Cleveland, tenderfoot, Clarence Lippert, tenderfoot, Coal Outlaw, second class, Justice Cox, second class, Theo George, second class, Wilbur Hodge, second class, Ernest Knowlden, second class, Kenneth McGill, second class, Albert Warden, tenderfoot associate scout, Wayne Davis, candidate.

### GOVERNMENT SAVINGS SYSTEM PERMANENT

The U. S. Government Savings System is a permanent institution. Beginning as a helper in raising money to carry on the war it grew rapidly and finally developed into a real necessity. It was found that many people who had money would not invest it or deposit it with any institution that was not operated by the Government. The word of Uncle Sam is what such

people wanted before they would take their money from the old stockings or subway buses and to canisters and place it where it would earn a fair interest and have the principal returned to them at the end of the term of investment. War Savings Certificates proved popular with investors in small amounts, but they were not adapted to easy conditions nor was the War Savings Organization of the Treasury Department able to handle after-war conditions. So a new savings security was devised and the U. S. Government Savings System was created and made a permanent part of the Treasury's fiscal policy.

The new system not only sells the new savings certificates but is conducting a nation-wide campaign to encourage saving and to discourage the tendency toward taking chances with all the fake investments that are offered by sharpers and swindlers who deal in bogus stocks and other worthless securities. In a brief but interesting form the Government Savings System tells what it is doing in a booklet recently issued. It is sent to anyone free who is interested enough to write to the Treasury Department at Washington for it.

T. O. Holliday, one of St. Cloud's best boosters and owner of considerable property here, leaves today for his old home in Prepsport, O., to spend the summer. Mr. Holliday discovered last week that he had a new son-in-law, when he read his old home-town paper, and of course had to go back home to see after his children. He will be numbered among the early arrivals here next fall, and we expect that he will bring some more of these good Ohio folks down with him to enjoy the climate and hospitality of St. Cloud that has attracted Mr. Holliday and several hundred other fine citizens of Ohio to locate here.

De. A. N. Rowe restored to Brookings Sunday on professional business. Dr. Rowe has several patients in the hospital most of the time, recovering from operations. From observations made, and through reading our exchanges, we have concluded that our doctor is just about the most successful surgeon in this part of the state. Of the hundreds of operations performed we have not learned of a single death. This item is taken from Dr. Rowe's home town paper, Estelline, S. Dak. Dr. Rowe made two trips to St. Cloud during the illness of his father, W. H. Rowe of this city, and was here to assist at the time of his father's death last July.

### STOP THAT ACHE!

Don't worry and complain about a bad back. Get rid of that pain and lameness! Use Doan's Kidney Pills. Many St. Cloud people have used them and know how effective they are. Here is a St. Cloud case:

Paulch Strode, retired farmer, Massachusetts Ave., says: "I can surely recommend Doan's Kidney Pills. I was complaining of backache and when I went to lie down my back ached like toothache. I was out of sorts and in misery. I had to get up during the night to pass the kidney secretions, and they were highly colored. At times everything seemed to be going around in circles. I heard about Doan's Kidney Pills and bought some at Mr. Marlowe Drug Store. Doan's gave me prompt relief and drove the pains from my back. My kidneys became normal." Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Strode had. Foster-Milburn Co., 1175 Buffalo, N. Y.
